LINQ BEVERAGE

The LinQ series may be the ultimate high-end stackable glasses. These tumblers, only offered in a light grey color, definitely stand out. To guarantee quality, these colored tumblers are – not sprayed – but color is added in production. Not only do these tumblers look outstanding; they have all functional qualities you'd expect. Their superb stackability, refine looks, diverse usability and Xtratuff treatment make them a perfect match for any location! Choose LinQ to be different, and stay classy!
